

NASTE Season 2019 – Race 9

August 24, 2019

Rippin' Ridin' Raceway, Portland, Oregon

August brought us a few hot days and it was nice to spend one of those in Al's basement playing with toy cars. This was our second stop this season and as it's a regular on our Thursday night schedule racers had no trouble adapting to the track or the cars.

Up first – the Slot.It Porsches. Fast, smooth, everyone likes these cars. Liking them the most was 'The Mailman' Terry Abbott taking the lead with a 71.9 lap total. Our host Al was about half a lap back in second with Monte Saager staking claim to third – barely by a tenth over Dan 'Doc' Fritz. In total six cars were within two laps of the leader – the chase was on! In the B Class, newcomer Dain Huston was giving the regulars something to think about with a good lead over Dorothy 'The Hammer' Abbott in second and Victoria 'Zen Racer' Saager in third.

In the second set another favorite returned – the WOMPS – only this time with some sharp looking new bodies. Al's been busy! And this time it was Jeff Fields bringing the thunder with a decisive win of nearly a lap over Tracy Flood in second with Monte in third down about another lap. In the B Class Dain finally came back to earth while Victoria turned up the heat to take the win with Dain and Dorothy tied for second.

When the results were tallied it was Monte and Tracy tied atop the leader board with Jeff third and Al fourth. In the B Class Dain claimed the victory with Victoria second and Dorothy third.

Thanks to Al and Donna for hosting a fun night of racing. Next up, a trip to – well, stay tuned...but wherever we're at it's sure to be an entertaining evening, we'll hope to see you there.
